High resolution A3 size scanner

Product Overview

Plustek OpticPro A320 is a high resolution, 1600 dpi scanner that can scan an A3 sized page in 8.5 seconds.

The OpticPro A320 simplifies scanning tasks with seven one-touch function buttons. It comes bundled with image processing and document management software including OCR and PDF creation software.

Plustek OpticPro A320 has been specially designed for professionals who require best of both worlds—high quality images coupled with efficiency. It is ideal for graphic designers, publishing companies, libraries, schools, small office/home office (SOHO) users and for others that who require large format scanning.

Key Features

- Large format scanning (A3 size, up to 12" x 17")
- Fast scanning (8.5 seconds for A3 document in color at 300 dpi)
- One-touch buttons for personalized scan settings
- Function buttons for scan, copy, fax, email and OCR
- Highly effective image processing & document management software bundled
- User interface in multiple languages

Interface	USB2.0
Technology	Stagger CCD color image sensor (R, G, B) Technology
