

WorkForce® WF-2760

Wireless | Print | Copy | Scan | Fax | Ethernet

Powered by
PRECISIONCORE®

All-in-One

Home Office

The fast, versatile wireless all-in-one printer for your home office.

Get Laser-Quality Performance — the WorkForce WF-2760, powered by PrecisionCore®

The ultimate wireless solution plus, Ethernet — easy iPad®, iPhone®, Android™ tablet and smartphone printing¹; includes Wi-Fi Direct®² for network-free printing and NFC touch-to-print capability³

Easy setup and navigation — 2.7" color touchscreen to easily print, copy, scan and fax

Reload paper less often — 150-sheet paper capacity

Efficient — save time and paper with auto 2-sided printing; plus, a 30-page Auto Document Feeder for copying and scanning

Affordable individual ink cartridges — replace only the color you need

Sharp documents — laser-quality black text for crisp, professional-quality proposals, reports and brochures

Fast printing — professional-quality prints at speeds of 13.7 ISO ppm (black) and 7.3 ISO ppm (color)[†]

Economical — uses up to 70 percent less power than laser printers⁴

Designed for use exclusively with Epson® cartridges.*

Print

Printing Technology PrecisionCore 1S printhead 4-color inkjet
Printer Language Epson ESC/P®-R

Maximum Print Resolution 4800 x 1200 optimized dpi

Print Speed† Black 13.7 ISO ppm / Color 7.3 ISO ppm

Auto 2-Sided Print Speed† Black 6.5 ISO ppm /
Color 4.5 ISO ppm

Minimum Ink Droplet Size 3 droplet sizes, as small as
3.3 picoliters

Mobile Printing and Scanning

Epson Connect™ Solutions¹ Epson Email Print, Epson
Remote Print, Epson Scan to Cloud², Epson iPrint™ App (iOS®,
Android), Epson Print and Scan App (Windows®)

Other Apple® AirPrint®, Google Cloud Print™, Android printing,
Fire™ OS printing, Mopria® Print Service

Copy

Copy Speed†† Black 11 ISO cpm / Color 5.5 ISO cpm

Copy Quality Color/Black-and-white: Standard/Best

Copy Quantity 1 – 99 (PC-free)

Maximum Copy Size 8.5" x 14"

Copy Features Auto 1-sided to 2-sided, Fit to Page,
Auto Resize, ID Copy, Adjustable Copy Density, Borderless

Scan

Scanner Type Color flatbed/ADF

Photoelectric Device Color CIS line sensor

Maximum Hardware Resolution 2400 dpi

Hardware Resolution 1200 x 2400 dpi

Maximum Resolution 9600 dpi interpolated

Scanner Bit Depth 48-bit color input / 24-bit color output

Scan Bed Size 8.5" x 11.7" max.

Scan Features Scan to PC

Fax

Fax Specifications

Ordering Information

WorkForce WF-2760

C11CF77201

*This product uses only genuine Epson-brand cartridges. Other brands of ink cartridges and ink supplies are not compatible and, even if described as compatible, may not function properly.

† Black and color print speeds are measured in accordance with ISO/IEC 24734. Actual print times will vary based on system configuration, software, and page complexity. For more information, visit www.epson.com/printspeed | †† Black and color copy speeds are determined in accordance with ISO/IEC 29183. Actual copy times will vary based on system configuration and page complexity. For more information, visit www.epson.com/copyspeed | 1 Most features require an Internet connection to the printer, as well as an Internet- and/or email-enabled device. For a list of Epson Connect enabled printers and compatible devices and apps, visit www.epson.com/connect | 2 Wi-Fi CERTIFIED™; level of performance subject to the range of the router being used. Wi-Fi Direct may require printer software. | 3 NFC requires use of a device that includes NFC, and may require additional software. | 4 Compared to best-selling, color laser multifunction printers priced at \$499 (USD) or less, as of March 2014. Actual power savings will vary by product model and usage. | 5 Requires an Internet connection, a free Epson Connect account and a destination email address or cloud storage account. For a list of supported cloud services, visit www.epson.com/connect | 6 Only printing and scanning are supported under Windows Server OS. | 7 Some applications and/or functions may not be supported under Mac OS X. | 8 Monthly duty cycle is the highest duty a user could expect in a month, based on near-constant operation of a device of this kind. It is not recommended that the device be run at this duty. For best device performance, run the device at the recommended duty. | 9 Replacement cartridge yields are based on ISO/IEC 24711 tests in default mode printing continuously. Cartridge yields vary considerably for reasons including images printed, print settings, temperature and humidity. Yields may be lower when printing infrequently or predominantly with one ink color. All ink colors are used for printing and all-in-one maintenance, and all colors have to be installed for printing. For print quality, part of the ink from the included cartridges is used for printer startup and a variable amount of ink remains in the cartridges after the "replace cartridge" signal. For details, see www.epson.com/cartridgeinfo | 10 Internet access is required to install OS X® drivers and software. | 11 Display permanence based on accelerated testing of prints displayed under glass in indoor display conditions; album permanence based on accelerated testing of prints in dark storage conditions. Actual print stability will vary according to media, printed image, display conditions, light intensity, temperature, humidity and atmospheric conditions. Epson does not guarantee the longevity of prints. For maximum print life, display all prints under glass or UV filter or properly store them. | 12 For convenient and reasonable recycling options, visit www.epson.com/recycle | 13 SmartWay is an innovative partnership of the U.S. Environmental Protection Agency that reduces greenhouse gases and other air pollutants and improves fuel efficiency.
