

Fast Facts

ABBYY® Lingvo® x5

Multilingual translation. Fast, accurate and easy.

ABBYY Lingvo Dictionary is the perfect gateway for reading, writing and learning in multiple languages. Remarkably easy, it combines 220 world-class dictionaries with breakthrough linguistic software and database technologies. Extraordinarily accurate, it makes over twelve million headwords and phrases available from publishers such as Oxford University Press, HarperCollins® Publishers, Russky Yazyk Media® and Russo®. Further enhancing productivity are advanced search tools, intuitive menus and specialized lexicons including law, economics and medicine. Plus, dictionary entries contain detailed keyword information including translation alternatives, example sentences, grammatical descriptions, and audio pronunciations – which are also accessible from the Lingvo.Pro online portal.

Key Features and Benefits

Unmatched accuracy from 220 dictionaries in 20 languages

- Supported languages: Russian, English, Finnish, French, German, Greek, Italian, Portuguese, Spanish, Chinese, Danish, Dutch, Hungarian, Kazakh, Latin, Norwegian, Polish, Tatar, Turkish, Ukrainian.
- 220 dictionaries with 12,600,000 headwords and phrases from renowned publishers such as Oxford® University Press, HarperCollins® Publishers, Russky Yazyk Media® and Russo®.
- Updated with over 350,000 words, phrases, and meanings.
- New Oxford American Dictionary, 3rd Edition offers the most comprehensive, up-to-date coverage of current English with more than 350,000 words, phrases, and sentences.

Custom dictionaries for more productive work and study

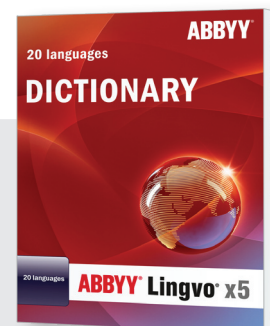

- User-created dictionaries enable customers to create their own glossaries and subject dictionaries.
- Preserves integrity of terminology when customers translate corporate documents, or when language learners require customized dictionaries for better memorization of words and set expressions.
- Custom dictionaries can easily be added to the Lingvo dictionary collection and made available for users across a corporate network.

Easy look-up. Instant translation!

- Fast search and retrieval of terms and word combinations including full text and wildcard search.
- Intelligent OCR technology recognizes printed characters and words on the screen and automatically looks them up in Lingvo dictionaries.
- Instant translation of words from within any application or file including PDFs, photographs and movie subtitles. Roll your cursor on a word – see the translation in a pop-up window.
- Plus FREE access to Lingvo.Pro, an online portal offering a wide variety of language translation services including over 1 million examples for common usage of words and phrases.

Target Audiences

- Business professionals who work with many languages.
- Students and Teachers of foreign languages and international business.
- Travelers, translators and interpreters.
