

FREE Upgrade to Kofax VRS Elite For Your Customers!

Available Only for DR-G1100 and DR-G1130 Production Document Scanners

If your customers purchased a Canon imageFORMULA DR-G1100 or DR-G1130 production document scanner after August 1, 2015, they can upgrade their Kofax VRS Basic software to Kofax VRS Elite at no additional charge (a retail value of \$2,450 for the upgrade FREE)!

**Limited Time
Only!**

**Now Extended till
June 30, 2016!**

**Help spread the word and get your customers to take advantage of
this limited time offer!**

If they upgrade to Kofax VRS Elite, they can:

Kofax
VRS
ELITE

- Reduce time involved in manual document preparation
- Enhance quality of scanned images
- Drastically improve manual scanning productivity and efficiency of document capture processes
- Automatically examine documents and apply correct settings to deliver high-quality scanned images
