

# **FREE** Upgrade to Kofax VRS Elite For Your Customers!

If your customers purchased a Canon imageFORMULA DR-G1100 or DR-G1130 production document scanner, they can upgrade their Kofax VRS Basic software to Kofax VRS Elite at no additional charge (a retail value of \$2,450 for the upgrade FREE)!

**Kofax**  
**VRS**  
ELITE

**Help spread the word and get your customers to take advantage of this offer!**

**If they upgrade to Kofax VRS Elite, they can:**

- Reduce time involved in manual document preparation
- Enhance quality of scanned images
- Drastically improve manual scanning productivity and efficiency of document capture processes
- Automatically examine documents and apply correct settings to deliver high-quality scanned images
