DocuMate 262,272,632	Basic	Desktop ¹	UO-D004-0001
DocuMate 752	Basic	Workgroup	UO-W004-0001

NOTES

- 1) Customers who need bar code or patch code scanning capability should use VRS Workgroup
- 2) Includes Kofax Adrenaline 650i SCSI interface board
- 3) VRS Professional bundled only in the U.S.; elsewhere bundled with VRS Basic
- 4) Also ships in an optional VRS hardware configuration; no upgrade available for this configuration
- 5) Includes VRS Basic
- 6) AIPE = Advanced Image Processing Engine. Software-only solution provides same capabilities as 650i
