MAXIMUM FLEXIBILITY FOR LIMITLESS PRODUCTIVITY

The DR-1210C scanner is a universal color scanner offering flatbed and ADF capabilities, a user-friendly control panel, and industry-leading durability. Designed with advanced image processing technology and bundled with powerful software applications, the DR-1210C scanner rivals high-end document scanners at an entry-level price.

DR-1210C

The perfect productivity boost for small offices and workgroups, the Canon DR-1210C scanner quickly and reliably accommodates stacks of forms, invoices, or contracts with the 35-sheet ADF at rapid speeds of up to 12 ppm* in black and white, grayscale, or color. This model also offers the versatility to scan books, magazines, or business cards using the flatbed capability.

Examples based on typical settings, rated in pages/images per minute with letter-sized documents, portrait feeding direction, up to 300 dpi. Actual processing speeds may vary based on PC performance and application software.

A SIMPLE, AFFORDABLE WAY FOR YOUR BUSINESS TO CONVERT PAPER DOCUMENTS TO DIGITAL IMAGES
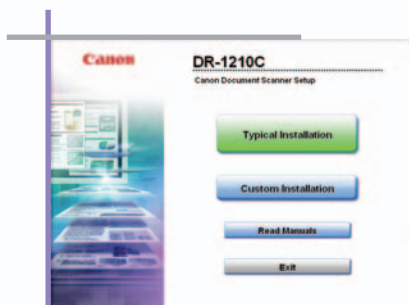

ADVANCED IMAGE PROCESSING TECHNOLOGY

High-quality image reproduction starts with Canon's advanced 3-Line CCD sensor technology and 600-dpi optical resolution. Automatic image processing features, such as Auto Page Size Detection, Text Orientation Recognition, and Deskew, ensure efficient, effortless document capture. Incorporating 3-Dimensional Color Correction technology, the DR-1210C scanner delivers vivid color images that are true to the original document. Even handwriting, fine lines, and low-contrast image details are captured with clarity and precision.

SIMPLIFIED SETUP AND OPERATION

You'll be ready to start scanning within minutes of taking the DR-1210C scanner out of the box. The new Easy Installer tool helps ensure trouble-free installation of the bundled software, and the Hi-Speed USB 2.0 interface allows plug-and-play connectivity. The only challenge you'll have to face is determining which documents to scan first.

Using the DR-1210C scanner is just as easy. Enjoy one-touch operation with three built-in Scan-To-Job buttons for Copy, File, and E-mail functions. Additionally, up to 50 different functions can be assigned to five customizable buttons for operation by multiple users or common tasks. For convenient walk-up scanning, images can automatically be routed via e-mail or to a network file folder directly from the user-friendly control panel. Canon understands that ease-of-use and maximum flexibility mean limitless productivity.

THE DR-1210C SCANNER ALLOWS YOU TO:

Store and retrieve documents faster through searchable PDF creation and keyword search.

Easily share and distribute information with the touch of a button to Scan-To-Print, Scan-To-E-mail, or Scan-To-Network file folders.

Convert and organize contact information with business card scanning.

Secure sensitive documents by creating encrypted and password-protected PDF files.

Automate file name creation through built-in OCR capabilities for simplified indexing.
