SmartOffice Series

Exceptional Document Handling

The **SmartOffice PS458U** features one of the most advanced document feeding and separation system in the industry. This system allows the **SmartOffice PS458U** to scan mixed batches of varying paper sizes and weights. No more wasted time sorting documents based on their size or thickness. Plastic and rigid cards such as ID cards, Drivers Licenses, Membership Cards, Insurance Cards and even log documents up to 2500mm(98") are scanned without additional adjustments or additional set up. The **SmartOffice PS458U** also features auto wake up that enables users to simply place the paper in the scanner and wake up the scanner from sleep / stand-by mode.

Intelligent Misfeed Function

The ultrasonic sensor detects the double feeding of original documents during scanning. The ultrasonic function can be turned off when scanning document with labels, sticky notes, or taped receipts. This innovative design prevents double feeding and effectively scans documents of different weights or thickness. Thanks to double-feed prevention, optimum reliability is assured even when scanning high volumes of documents.

Exceptional Reliability

The 100 sheet feed tray along with a daily duty cycle of 8000 pages means that the **SmartOffice PS458U** is a scanner that is designed to scan documents every day, all day long.

Exceptional Productivity

Create searchable PDFs at the touch of a button. Single Touch scanning allows you to define 9 different scanning functions that can all be accessed by simply pressing a button. In addition to Searchable PDF, you can transform your paper documents into editable Microsoft Office document formats or common image formats such as JPG and TIFF. The **SmartOffice PS458U** is bundled with business card reading software and a suite of document management and scanning applications to allow you to be productive right out of the box. Industry standard TWAIN, ISIS and WIA drivers ensure compatibility with thousands of image enabled applications.
