Compact small office scanner with TWAIN and ISIS® support and the versatility of a document feeder + flatbed

25 Pages per minute
Duplex Scans both sides
TWAIN & ISIS® Supported
Sizes up to Legal 8.5” x 14”
24-bit Color
600 Optical DPI

shaping tomorrow with you
A flatted and document feeder in one compact, versatile scanner

The small business scanner that makes scanning easy

- Powers through your documents at up to 50 images per minute
- Efficiency built right in, with both Automatic Document Feeder (ADF) and flatted scanning options
- Supports documents up to 120" long

Clean image processing with PaperStream IP for SP Series

PaperStream IP (PSIP) for SP Series is a TWAIN/ISIS®-compliant driver that clears up and optimizes scanned images without changing driver settings in advance. PSIP features:
- Auto Color Detection to automatically identify the best color mode for the document
- Multi-Image Output to release images in more than one output format
- Blank Page Detection to automatically remove blank pages

PaperStream Capture Lite specializes in routine scanning

The easy-to-understand interface ensures simple operation from start to finish. Routine operations like batch scanning are made quick and easy, so the SP-1425 will fit into your workflow without a lot of software to learn and drivers to configure.

Centralized fleet management

Includes Scanner Central Admin to remotely manage your entire fi Series and SP Series fleet. Effectively allocate your resources based on scan volume, consumables wear, and more.

**Paper Weight (Thickness)**

- **ADF minimum**: 4.5" x 5.5" (114 mm x 140 mm)
- **ADF maximum**: (8.5" x 14" or 216 mm x 356 mm)
- **Flatbed maximum**: (12" x 20" or 304.8 mm x 508 mm)

**Paper**

- **Paper**: 14 - 34 lb. (52 to 127 g/m²)
- **Plastic Cards**: Flatbed only / cannot scan plastic cards using ADF

**ADF capacity**

- 50 Sheets (A4: 20 lb. or 80 g/m²)

**Environmental designations**

- **ENERGY STAR® and RoHS**

---

**Power Requirements**

*Auto-switching*

- 100 to 240 VAC, 50/60 Hz

**Power Consumption**

- Operating: 16 W or less
- Sleep mode: 2.9 W or less
- Auto-standby mode: 0.5 W or less

**Operating Environment**
