Connect your worlds with one touch.
INTUITIVE SCANNING AT YOUR FINGERTIPS

Ease into a whole new world of digitalization and unlocking seamless flow of information

ScanSnap iX1600 and iX1400 – The next-generation ScanSnap experience

A brand new experience to digitize, augment, organize, and share information to fuel your business growth and innovation with the fastest models in the ScanSnap Series. Able to load up 50 sheets at a time and scan at a speedy 40 pages per minute, both models produce superior, high-quality images. Simply open the document chute, and ScanSnap is ready to go. Fast start-up and stable feeding performance provide you with a peace of mind while you carry out your tasks.

Scan anywhere, whenever you want
- Connects via Wi-Fi. Works without a computer.
- Scans on any smart device or popular cloud service, desktop or document management application.

1 Available services vary by region.

Intuitive user experience
The iX1600 comes equipped with a 4.3-inch touch screen, providing an easy to use interface with simple icons and intuitive user experience. Keeping documents in order is a breeze, whether at the office or home. Select which device you would like to scan to, and share between multiple members and devices anytime.

Simple no fuss operation
The iX1400 refines simplicity and offers the signature, one-touch experience that ScanSnap users have come to love. Scan with a single touch of the button, with no compromises on performance and image quality.

Leave behind the worry of Wi-Fi Connectivity
- Scans to PC with secure USB connection so that there is no need to worry about network availability.
- USB connection dedicated model perfect for environments where Wi-Fi use is restricted.

ScanSnap Home – All-in-one software to optimize your productivity

A software specially designed for ScanSnap scanners, assisting users to easily manage, edit, and utilize various types of scanned data. Combining all your favorite functions, it allows users to organize your documents, receipts, business cards, photos and much more all in one application.

Documents
Quickly find that recipe or meeting agenda that you stored last week with easy tagging features.

Business Cards
ScanSnap Home’s intelligent auto correction makes managing business card contacts a simple and seamless process with less manual work for you. Organize your contacts with powerful search features.

Receipts
Keep track of your spending habits each month so that you can check back whenever you desire.

Name files faster
ScanSnap Home uses the text, found on your scanned documents to identify file names. Accuracy is heightened with increased use.

Find files easily
Finding documents can never be easier. ScanSnap Home comes with functions to re-organize and perform searches on document types using folders, tags, and keywords.

Can be used in conjunction with ScanSnap Manager software.
