MobileOffice D620

Portable Card, Receipt and Prescription Scanner!

A6 · **DUPLEX** · **Hi-SPEED** · **BUSINESS CARD** · **ID CARD** · **SEARCHABLE PDF** · **BANK CHECK**

The Plustek MobileOffice D620 is a compact and durable USB-powered ID and card scanner. It is an A6 duplex true mobile color scanner. It is specially designed to convert all your paper-based documents, plastic cards, embossed cards, ID cards and prescriptions into various digital formats such as JPG, BMP, TIF, Word, Excel, and searchable PDF files etc in minutes. Scanning sizes run from 1.57"x1.77" up to 4.13"x23.36".

For Counter ,Patient and Customer Registration
Increase staff productivity and reduce customer wait time without compromising desk space by integrating the D620 mobile card scanner into your check-in work flow. Pre-configured one-touch scanning jobs allow staff to quickly scan information into their existing document management systems, which provides additional security by eliminating print copies of personal documents. The Plustek D620 comes with TWAIN and WIA drivers to ensure compatibility with thousands of document management system, Electronic Medical Records Systems (EMR) and ID card reading systems.
