Wireless | Print | Ethernet | PCL¹/PS

Printer

Workgroup

Workgroup A3 color printer for enhanced productivity.

Powered by PrecisionCore® — the next generation of inkjet printing technology

Easy on your budget — save up to 35 percent on printing costs vs. color laser²

Replace paper less often — up to 1,830-sheet capacity³; prints up to 13" x 19"; features auto duplexing and auto media size detection

Fast output; no warmup time — 24 ISO ppm (black/color)[†]; plus, fast first page out

Manage your printer fleet and keep costs in check — compatible with ISV and third-party software solutions for managing usage limitations, user authentication and more; supports PCL¹ and PostScript®

Duty cycle — up to 75,000-page maximum monthly duty cycle⁴

Security features — PIN number certification for job release; user control access; printer and network settings via Web Config with printer's IP address; SSL/TLS security; IPsec

Minimize your interventions — high-yield cartridges let you print up to 8,000 ISO color pages before changing the ink cartridges⁵

Enabled for remote printer data collection — compatible with MPS software solutions from PrintFleet®, ECi (FMAudit®) and others

Designed for use exclusively with Epson cartridges.*

† Black and color print speeds are measured in accordance with ISO/IEC 24734. Actual print times will vary based on factors including system configuration, software, and page complexity. For more information, visit www.epson.com/printspeed | †† Maximum print speeds are measured with text patterns in Draft Mode on plain paper. Actual print times will vary based on factors including system configuration, software, and page complexity. | 1 Not all media types are supported for PCL printing. | 2 Based on printing costs with the WF-C8190 and WF-C8690 printers and highest-capacity replacement ink compared with the costs of printing equivalent ISO pages with best-selling, similarly featured A3 color laser printers priced at \$2,499 USD or lower with speeds of 30 ppm or lower as of December 2017. Toner and ink costs based on manufacturer's highest-capacity yields and pricing; printer costs based on average selling price per industry-available data as of December 2017. Actual savings will vary based on usage conditions. | 3 Standard paper capacity of 330 sheets; up to 1,830-sheet capacity with three optional 500-sheet paper trays. | 4 Monthly duty cycle up to 75,000 is the highest duty a user could expect in a month, based on near-constant operation of a device of this kind. It is not recommended that the device be run at this duty. For best device performance, run the device at the recommended duty of 7,000 pages a month. | 5 Cartridge yields are based on ISO/IEC 24711 tests in Default Mode printing continuously. Cartridge yields vary considerably for reasons including images printed, print settings, temperature and humidity. Yields may be lower when printing infrequently or predominantly with one ink color. All ink colors are used for printing and printer maintenance, and all colors have to be installed for printing. For print quality, part of the ink from the included cartridges is used for printer startup and a variable amount of ink remains in the cartridges after the "replace cartridge" signal. For details, see www.epson.com/inkinfo | 6 Most features require an Internet connection to the printer, as well as an Internet- and/or email-enabled device. For a list of Epson Connect enabled printers and compatible devices and apps, visit www.epson.com/connect | 7 Wi-Fi CERTIFIED™; level of performance subject to the range of the router being used. Wi-Fi Direct may require printer software. | 8 Only printing is supported under Windows Server OS. | 9 Some applications and/or functions may not be supported under Mac OS X. | 10 Based on ENERGY STAR TEC measurement methodology; 288 prints/day; actual electricity consumption may vary depending on printer use. For more information, see www.energystar.gov | 11 Internet access is required to install OS X drivers and software. | 12 As of October 1, 2019, this product comes with a standard 2-year limited warranty. Please visit www.epson.com/support for more details. | 13 Compared with similarly featured A3 color laser printers priced at \$2,499 USD or lower with speeds of 30 ppm or lower as of December 2017.
