# EPSON®
EXCEED YOUR VISION

Manage Business Productivity with Epson's Award-Winning Commercial Document Scanners

Epson DS-870 Color Duplex Workgroup Document Scanner — PC Magazine Editor's Choice.*

Running a successful business requires everything it takes to ensure great client and customer experiences while maintaining profitability.

Choosing the best document scanner for your business can help increase efficiency with easy scanning of business paperwork, such as contracts, bills, and travel receipts.

3 ways Epson document scanner technology can help improve your organization:

1 Start with Epson Engineering

- Epson document scanners are designed from the ground up to deliver exceptional, road-tested reliability.

- They're built for high performance and dependability, including our quick-replacement limited warranty.**

2 Get State-of-the-Art Software Compatibility

- For great document scanning made easy, you've got to work with the best available applications. And we do.

- We offer TWAIN and ISIS drivers that can provide seamless compatibility with virtually any software.

3 Choose from an Award-Winning Portfolio

- With a broad portfolio of exceptional document scanners, we're your go-to solution with award-winning products.

- There's a great reason why Epson document scanners keep scoring awards from leading industry publications. We exceed expectations.

Need advice on choosing the right document scanner models for your small or midsize business?

Ask your Epson rep for more information.
